Note 1: A primary service is written in capital letters, a Secondary service has first letter capital and other lower case

Note 2: This chart is a graphic single-point-in-time portrayal of the National Table of Frequency Allocations used by the NSRRM. As such, it does not completely reflect all aspects, i.e., footnotes and recent changes made to the Table of Frequency Allocations. Therefore, for complete information, users should consult the Table to determine the current status of MDA allocations.

Note 3: The spacing allotted the services in the spectrum segments shown is not proportional to the actual amount of spectrum occupied.
